

UNCOVER THE TRUTH BEHIND THEIR STORIES

Gale In Context: Biography is an engaging online experience for those seeking contextual information on the world's most influential people. Organised into a user-friendly portal experience, it merges Gale's authoritative reference content, including *Newsmakers* and *Contemporary Authors Online*, with videos, audio selections, images, primary sources, and magazine and journal articles from hundreds of major periodicals and newspapers.

MEET THE PEOPLE WHO MADE HISTORY

ACCESS KEY INFORMATION ON INFLUENTIAL FIGURES

Built on a foundation of more than 640,000 biographical entries, *Gale In Context: Biography* covers international figures from all time periods and areas of study.

LOCATE AUTHORITATIVE CONTENT WITH EASE

Over 4,800 portal pages on contemporary and historical figures merging authoritative reference content with periodicals and multimedia.

FIND THE RIGHT CONTENT WITH QUALITY SEARCHES

Search for people based on name, occupation, nationality, ethnicity, birth/death dates and places, or gender, as well as by keyword and full text.

NAVIGATE EFFORTLESSLY ACROSS ARTICLES

A similar user experience for all Gale products allows users to spend more time with content and less time learning navigation and tools.

“Because you can create new projects in a fraction of the time, more can happen in a year. The transference of skills learned on these databases will be used at the collegiate level.”

Laurie Decker, English Teacher,
San Luis Obispo High School, CA

MASTER WORKFLOW

Expand access and increase discovery by integrating Gale resources into your Learning Management System. Add to that the power of **G Suite for Education** and **Microsoft Office 365 tools**, which enable users to easily share, save, and download content—including highlights and notes.

Product screen capture as of August 2019. Actual interface may vary.

PLATFORM TOOLS

Accommodate diverse backgrounds with ReadSpeaker text-to-speech technology and on-demand article translation into over 20 languages.

CITATION TOOLS

Integrated directly into the user's workflow, MLA, APA, and Chicago-style citations are supported. Formatted citations can be easily imported from single or multiple documents to services like EasyBib or NoodleTools.

HIGHLIGHTS AND NOTES

Organise, save, and share highlights and annotations within content.

SEARCH FUNCTIONS

Researchers can search by Lexile range or find content based on basic, intermediate, and advanced levels of complexity.

The *Gale In Context* suite of student databases meets the needs of today's learners with a user-friendly, mobile-responsive design. Eye-catching, engaging, topical resources provide current, authoritative, media-rich content that seamlessly integrate with curriculum-aligned materials that span core subject areas.

Get the most out of your investment. Add *Gale In Context: For Educators*, a specialised toolkit that lets educators collect, organise, customise, and share instructional materials sourced from your *Gale In Context* databases.
