

IMPROVE THE QUALITY OF STUDENT LEARNING

Explore the complete Gale In Context suite

Give educators access to authoritative and current digital content that spans core subjects and helps develop future-ready skills. The *Gale In Context* suite provides a user-friendly experience with an intuitive interface, allowing students to spend less time navigating the platform and more time exploring relevant content. Meet learners where they are by offering accessible, engaging, and age-specific resources that fit their unique needs.

Help young students develop a strong foundation for lifelong learning. ***Gale In Context: Elementary*** gives elementary children a safe place to find answers to their questions; practice research skills; and explore a broad range of subjects like animals, geography, science, and more—all in one place.

Equip middle schoolers with literacy and critical-thinking skills across content areas. ***Gale In Context: Middle School*** combines interdisciplinary content with age-appropriate videos, newspapers, magazines, primary sources, and much more to engage students in the learning experience, while supporting curriculum standards.

Prepare high school students for college, career, and life with cross-curricular content that supports state and national standards. ***Gale In Context: High School*** offers a variety of diverse, digital content—complete with articles, videos, charts, images, infographics, and more—that empower critical thinking and help develop information literacy skills.

Take learning even further with a variety of subject-specific resources designed to support the teaching and learning of the sciences, social studies, and language arts.

Remove barriers to learning and help your students thrive with the immersive digital resources, built-in accessibility features, translation tools, and leveled content available in the *Gale In Context* suite.

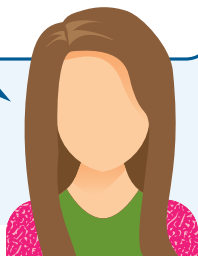

SEE WHAT'S POSSIBLE WHEN EXPERT INSTRUCTION MEETS HIGH-QUALITY CONTENT AND READY-TO-USE LESSON PLANS

Offer teachers guidance to find, create, and customize content from *Gale In Context* student resources to deliver engaging lessons aligned with their curriculum. *Gale In Context: For Educators* provides over 1,000 ready-to-use, standards-aligned lesson plans that help teachers save time; enhance daily instruction; and create equitable and personalized learning opportunities to support student success in school, career, and life.

What do other educators think of the Gale In Context suite?

"Educators see lessons already built around their curriculum and tied to standards in the Gale [resources]. This strengthens their use as supplemental resources for any curriculum they already have."

Kristin Dages
Media Tech Coordinator
Hudson City Schools, OH

"Building our capacity of content allows us to differentiate instruction and customize learning for our kids. Gale supports our teachers' abilities to guide students in self-directed learning, whether they are working on curriculum projects or just exploring a topic of interest to them."

Doreen Osmun
Assistant Superintendent
Hudson City Schools, OH

"I saw a way that I could collaborate with my colleagues more efficiently and get resources to students and make it more effective and personalized for their learning."

Monica Padgett
Teacher
Central York High School, PA

MASTER WORKFLOW

Expand access and increase discovery by integrating Gale resources into your **learning management system**, compatible with Canvas, Schoology, and more. Add to that the power of **Google Workspace for Education** and **Microsoft 365** tools, which enable users to easily share, save, and download content—including highlights and notes.
