KEY THEMES

- **"POPULAR" AND INTERNATIONAL POLITICS:** Established during the premiership of Margaret Thatcher, and conservative in its stance, the *Mail on Sunday* has commented on the issues central to the Conservative Party in Britain. The newspaper has reported on key political concerns, both national and international, including the Miners' Strike in the 1980s, IRA bombings, and the War on Terror.

- **PROTEST MOVEMENTS:** Marches such as the 2003 'Stop the War' march against the war in Iraq and campaigns against the development of nuclear weapons are some of the protests covered by the *Mail on Sunday*, highlighting some of the key political and social attitudes in Britain since the 1980s.

- **ENTERTAINMENT AND CULTURE:** The *Mail on Sunday* includes dedicated pages to book and film reviews, as well as highlights from the latest television and radio programmes, articles on celebrities and public figures, and commentaries on the royal family.

- **SPORTS COVERAGE:** From racing to rugby, the *Mail on Sunday* has provided readers with the latest tournament results and commentaries on the most current issues in sports around the world.

- **BUSINESS AND FINANCE:** The *Mail on Sunday* has offered articles covering the major financial and business developments since the 1980s, including the 2007-2008 financial crisis and its impact on everyday life.

FEATURES AND TOOLS

Term Frequency

See the frequency of search terms within a content set to begin assessing interactions and how they developed over time.

Topic Finder

Develop research topics by identifying and organising frequently occurring themes and revealing hidden relationships between search terms.

Text & Data Mining

At request, Gale will deliver data and metadata associated with the collection for use in data mining and textual analysis, supporting the digital humanities.
